This matter comes before the Public Service Commission of South Carolina (the Commission) on New Horizons Communications Corp.'s (New Horizons or the Company) request for an extension of time. On May 3, 2007, the hearing examiner¹ to this proceeding issued a proposed order on the application of New Horizons for a Certificate of Public Convenience and Necessity. The proposed order was served on all parties of the case via certified US mail. Pursuant to 26 S.C. Code Ann. In the accompanying letter to the proposed order, the hearing examiner advised the parties of the timeline for filing their exceptions, briefs, and/or requests for oral argument to the

proposed order. The Commission's records reveal that the parties to this proceeding received a copy of the proposed order on May 4, 2007; thereby any responses by the parties would be due May 14, 2007.

New Horizons, on May 14, 2007, filed its request for an extension to respond. According to the Company, the requested ten (10) days extension will allow the parties the additional time necessary to address the issues raised in the proposed order. New Horizons advises that the Company has spoken with all parties regarding the requested extension and that no party objects to the request.

We have examined the request of New Horizons and have concluded that New Horizon's request for an extension should be granted.

IT IS THEREFORE ORDERED:

1. The request of New Horizons Communications Corp. for an extension of ten (10) days to file exceptions, present briefs, and/or file written requests for oral argument to the hearing examiner's proposed order is hereby granted. Accordingly, the parties are to file any exceptions, briefs, and/or written requests for oral argument with the Commission no later than May 24, 2007.
